

**Taking Root: Creating Community, Changing Lives**  
**Thursday, March 11, 6:00pm – 8:30pm**  
**Minnesota Church Center**  
**122 Franklin Avenue**  
**Minneapolis, MN 55404**

Come for dinner and learn about how you can be part of the Minnesota Council of Churches' innovative new program, Taking Root. Taking Root participants will create community by joining an interfaith co-sponsorship group to welcome a refugee family who will be arriving in Minnesota in 2010. We are looking for individuals who are interested in joining a team that will get to know their neighbors of a different faith while working together to show our new arrivals that the world is not a cold, merciless place but rather a world of warmth, compassion and welcome. Co-sponsoring a refugee family involves a variety of responsibilities, but holds enormous benefits. Sponsors are enriched not only by their contribution to healing a broken world, but also by the friendships they make.

**Please RSVP by calling Lynea Geinert at 612-230-3243 or by e-mail at [lynea.geinert@mchurches.org](mailto:lynea.geinert@mchurches.org)**

### **UNITED STATES 2010 CENSUS**

The Minneapolis Census Office will be opening Questionnaire Assistance Centers (QAC) around the city on 3/19/10 and closing them one month later, on 4/19/10. The centers will be staffed up to 15 hours per week by a census employee from the city, and ideally, someone from the surrounding neighborhood who speaks any relevant languages. The centers are designed to provide respondents with any language assistance (or general assistance) filling out their census forms that they received at their residences. Additionally, these sites will have Be Counted! boxes that will contain questionnaires in six languages that will be available even when the QAC representative is not on duty.

### **CENSUS EMPLOYMENT OPPORTUNITIES**

To apply for census jobs, call 1.866.861.2010. Enter your zip code and you will be redirected to the recruiting office. Office positions and field positions are open. Salary \$12.50/hr and up. Multi-lingual candidates are in demand.
